PROFILE

I have taught Research Design and Research Methodology at the Masters level at UKZN. I have over seven (7) years of teaching and administrative experiences in South Africa universities. I have also published over 19 articles in DHET accredited journals and on track to reach twelve (12) outputs by the end of 2021. I am currently serving as editorial members and reviewers for various international journals in the US, Europe, and Africa. I am currently working on the Web applications of the Online Resources for Higher Education Transformation as Systems Librarian, and on the Fourth Industrial Revolution Research Flagship, and scientometric evaluations of knowledge production.

EMPLOYMENT HISTORY

❖ **Lecturer, University of KwaZulu-Natal, School of Social Sciences** .... Feb- September 2020

Teaching Research Design and Research Methodology (Masters Level) in the following Departments

1. MSc. Information Studies
2. MSc. Policy and Development Studies

❖ **Research Supervision, College of Humanities, University of KwaZulu Natal** .... Sep 2019 -Aug 2020

- Co-supervised PhD thesis in Information Studies
- Assigned by the School of Social Science cluster chair as internal examiner/reviewer for PhD and Masters submission for higher degree
- I have examined and moderated three PhD candidates submissions
- and two Masters submissions

❖ **Postdoctoral Research Fellow, University of KwaZulu-Natal** .... Oct 2018 — Sept 2020

- PhD thesis co-supervision; titled: The Sustainability Strategies of Electronic Information Resources by the Universities Libraries
- Serving as internal examiners/reviewer of PhD thesis proposal before submission to the higher degree for approval
- Currently carrying out research on the 4th Industrial Revolution (4IR) and Digital Humanities
- I am developing a Library Management System using an open-source technology for Library and Information Studies students
- Designing and designing web application curriculum for LIS studies of the college
- Designing practical web application development for non-computer science students
- Working on the UKZN bigdata research flagship (4IR and Digital Humanities)
- I created innovative tools to visualize the school strategic plans while working with the Dean of Management IT and Governance on the School (the Dean challenged my creativity to attempt the project that was meant for external consultants, but I was able to execute the project with the Dean)
- I have completed an innovative webometric analysis using the top six South African ranked universities to measure knowledge production
- Conducting and publishing articles business and IT alignment as well as E-participation and E-government.

❖ **Lecturer, Library and Information Science, University of Fort Hare** .... Mar 2016 — Jan 2017

Subject taught

- 4th-year Management of Information Systems
- Management theories, and knowledge management
- Management of libraries and information services
- Collection development in information centres and libraries
- Electronic resource management and digital collection policies
- Bibliographies, reference techniques, and reference process

❖ **Virtual Library Research Group, Vrije Universiteit, (VU Amsterdam** .... 2014 — 2014
De Boelelaan 1105, 1081 HV Amsterdam,

- Co-designed and prototype virtual librarian (using human-computer interaction)
- The prototype and final outputs were co-presented at the student conference at VU Amsterdam in 2014
- Performed database searches and information retrievals

❖ **Self-service Circulation Desk, Science Park UvA Library, Universitiet van** .... Jul 2013 — Jul 2014
Amsterdam
Amsterdam

Shelf-reading and tracing books

Checking out books using automated library system

Checking-in returned books using the automated library system

Conducted databases searches and information retrieval

Participated in online training and databases access training

❖ **Library Internship, University of Fort Hare** .... Jun 2012 — Sep 2012

- Worked with the Information Librarian to conduct database search training to library patrons
- Working in the Circulation Desk:
- Issuing books using the Sierra Library Management System
- Processing returned library material
- Reorganizing returned books to the shelves
- Performed shelf-reading

❖ **E-resource Librarian/Student Administrator, Office for International** .... Feb 2011 — Sep 2013
Affairs (OIA), University of Fort Hare
East London, Alice

Core Function:

- Tasked with managing the e-resources library and collection development
- Responsible for the e-library digital content management
- Creating, updating and maintaining databases, and records
- Mandated to create integrated and distributed repositories for the office
- handling of archiving administrative records in the digital environment and senior administrator office
- Designed an integrated library automation systems
- Appraisal of records and digitization of non-active records migration
- Handling of information and records management system to enforce immigration and visa applications compliance
- Responsible in part for handling staff and student international exchange programs information systems
- Responsible for socializing all exchange students on Erasmus and community engagement.
- Responsible for training new interns, and students administrator
- Participated in all strategic planning meeting that to increase efficiencies and mandate of the office
- An information officer in charge of compiling information on immigration regulation and policies changes
- Acted as liaison between the university and the foreign embassies
- responsible for drafting and preparing letters of recommendations to foreign embassies for staff and students

❖ **Student Medical Aid Liaison, Universal Healthcare (Compcare)** .... 2011 — 2012
East London & Alice

Duration: March to May 2011 & 2012

- Tasked with marketing Compcare Medical Aid Scheme to students

- Ensuring that international student comply with immigration policies on insurance
- Creating databases of old and newly enrolled medical aid clients
- Served as liaison with the Department of Home Affairs and International Office to authenticate medical covers
- Resolve dispute between medical-aid clients and doctors (GPs)
- Report to the sales representative on the scheme performances
- Conduct training for new sales representatives for two academic calendars

❖ Secretary to the Chief Accountant, University of Ibadan Venture Ltd .... Feb 2009 — Feb 2009

Ibadan

Core Functions:

- I was responsible for general office administration, receiving guest, directing calls at the head office
- I was tasked with liaising with all 8 business units of UI Venture Ltd and their clients and facilitated approval by the Chief Accountant
- Responsible for posting ledgers into the chief-accountant accounting system
- Posting daily expenses into expenses ledgers at the Chief Accountant system
- Work as the office administrator and secretary to the Chief Accountant at the corporate head office
- Handles general office administration at the head office, process request for finance
- Conduct monthly inventory for UI hotel and conference centres by updating

❖ Secretary-General, Student Union Government .... Oct 2007 — Nov 2008

The Federal Polytechnic Ado-Ekiti

Core Function:

- Tasked with ensuring no student protest, vandalism, and disruptions to the academic calendar. My efforts promoted leadership effectiveness that resulted in no protest after 5 years of previous interruptions to academic calendars
- Otherfunctionsinclude
- Management of the student union government secretariat and information resources
- Creating and maintaining the institutions' student's government records management systems
- Digital archival of all transaction using the database management systems
- Designing the records management policy and ensuring compliance with standards
- Training executive staff members on electronic database management and updates
- Serve as major contributors to institution strategic management and liaising with the state

❖ General Manager, Braiders Beauty Network .... Mar 2005 — Jan 2007

Ibadan, Nigeria

Core Competence:

- Marketing and promoting business services to high-profile clients and improving patronage
- Responsible for placing adverts and conducting interviews
- Recording business transactions and data entries into sales ledgers
- Supervision of staff and allocation of duties and routinely conduct performance assessment
- Training of staff on sales and inventory database management to ensure the weekly update

❖ Taught Knowledge Organisation, Federal Polytechnic, Ado .... Feb 2003 — Jul 2005

Teaching first-year undergraduate students _

1. Cataloguing, and classifications
2. Shelf reading (explaining how to access materials from the library's open shelves)
3. Records management and maintaining file plan

❖ Front-end Web Development .... Aug 2019 — Present

Front end Development

- HTML and CSS
- Grid and Table
- Boostraping, using Boostrap4
- Introduction to Javascript ES6
- Js_ Website Behaviour
- JS Data Types and Variables

❖ **Experiential Mobile Application** .... Mar 2020 — Present

Integration of open source tool kit for mobile application

❖ **Digital Archives Metadata Capturer, African Media Online** .... Jul 2018 — Jul 2018

Remote (Virtual Services)

- Processing of digitized archives metadata
- worked on the Nelson Mandela digitisation project
- researching about digitized resources to verify metadata accuracy
- using the MEMAT metadata UI for parsing of image metadata
- ability to process, store and reference digital assets metadata

EDUCATION

❖ **University of Fort Hare, South Africa** .... Apr 2015 — May 2018

Ph.D.- Library and Information Science

South Africa

❖ **University of Fort Hare** .... May 2015

MSc- Master of Library and Information Science (Cum Laude)

South Africa

❖ **University of Amsterdam** .... Aug 2014

MSc- Information Studies (Business Information Systems

Amsterdam, The Netherlands

❖ **University of Fort Hare, South Africa** .... May 2012

PG Diploma- Archives and Records Management (Cum Laude)

South Africa

❖ **Federal Polytechnic, Nigeria** .... 2006 — Nov 2008

Higher National Diploma in Secretarial Studies

❖ **University of KwaZulu-Natal** .... 2020 — 2020

Postgraduate Diploma in Information and Library Studies

South Africa

SKILLS

Technology-enhanced Research & Development .... ***Expert***

Big Data, 4IR and Quantitative Research .... ***Skillful***

Research Conceptualization and Design .... ***Expert***

Bibliometrics, Scientometric and Infographic Research .... ***Experienced***

Experience using integrated library system (Sierra & Millennium) .... ***Skillful***

Experience using RDA and the MARC Standard tools .... ***Skillful***

Experienced Professional in Database and Electronic Resources Information Retrieval .... ***Experienced***

Certified Archives Digital Masterclass .... ***Experienced***

Goal-oriented People's Management .... ***Experienced***

Teaching and learning in digital spaces using Moodle .... ***Experienced***

Certified International Image Interoperability Framework .... ***Skillful***

Pietermaritzburg

❖ **NIHSS-CODESRIA African Pathways Doctoral Scholarship** .... Apr 2015 — May 2018

❖ **South Africa – Vrije Universiteit Strategic Skill Acquisition _Master- Scholarship** .... Jun 2013 — Aug 2014

INTERNSHIPS

❖ **Secretary-Receptionist, , Legaltext Publishing** .... Jun 2005 — Jul 2005
Lagos
(industrial and work experience training)

- served as the secretary to the general manager
- served as the first point of contact to the company

- to receive calls and taking minutes at management meetings
- responsible for typing correspondences

MEMBERSHIP OF PROFESSIONAL BODIES

❖ **Library and Information Association of South Africa (LIASA)** ....

- Library and Information Association of South Africa (LIASA)
- South African Society of Archivist (SASA)
- World Academy of Researchers
- Certificate on Performance Monitoring & Evaluation by EvalPartner, USA

❖ **World Academy of Researcher in Social Sciences & Humanities** .... 2013 — 2019

❖ **Reader: MIT Business Reviews** .... 2014 — 2019
USA

COURSES

❖ **Certificate on Performance Monitoring & Evaluation by** .... 2012 — 2012
United Nations in Partnership with EvalPartner, USA

HOBBIES

Developing web application; designing socially-relevant studies using the 4IR; performing document and webometric analysis; exploring big data and blockchain technologies and 4IR, and reviewing journal manuscripts in my free time.

EXTRA-CURRICULAR ACTIVITIES

❖ **Exploring the Fourth Industrial Revolution and Disruptive Technologies for LIS Applications** .... 2020 — 2020

❖ **Building Mobile and Web Applications for LIS Curriculum Development** .... 2020 — 2020

❖ **Journal Reviewers** .... 2018 — Present

❖ **Self-initiated Digital Humanities Studies,** .... 2017 — 2019

LANGUAGES

English .... *Highly pro(cient*

RESEARCH DEVELOPMENT TRAINING

❖ **Academic Writing Workshop, organized by GMRDC Research Centre,** .... May 2015 — Nov 2015
University of Fort Hare , Alice

Dates Attended:

27-29 May 2015; 21-23 Sept, 2015; 22-26 Nov. 2015

❖ **Academic Writing Retreat Workshop** .... May 2018 — May 2018

❖ **Advanced Academic writing for Publications** .... Mar 2014 — Nov 2014
Hunterstoun, Hogsback

Dates Attended:

10-14th March; 02-06th June; 21-25th November; 2014

❖ **Advanced Academic Writing Workshop** .... 2017 — 2017

East London

Dates Attended:

12-14 May 2017 & 22-25 June 2017

❖ **Quantitative, Qualitative and Mixed Method research methodology** .... Mar 2013 — Sep 2013

Dates Attended:

01 March; 12 April; 10 May; 14 June; 06 Sept., 2013

❖ **Budgeting and Financial Management for Research (by GMRDC** .... 2013 — 2013
Research office

Dates Attended:

09 July, 2013; 16 August 2013; 30 Sept. 2013

❖ **Nvivo Software and Qualitative Research Method** .... Apr 2013 — Apr 2013

22&29 April 2013

RESEARCH & FIELDWORK EXPERIENCE

❖ **Big Data and Spatial Humanities Research Flagship** .... Nov 2018 — Present

University of KwaZulu-Natal, Pietermaritzburg

Based on UKZN Research Flagship

- Fourth Industrial Revolution (Using the Big Data to Solve Societal Challenges)
- Digital Humanities in the Era of Big Data (Opportunities, Prospects for knowledge Production)

❖ **Business Ethics & Enterprises Sustainability** .... Jun 2017 — Present

South Africa

Self-initiated Project

- Examining Business Ethics & the Role of Unethical Business Practice in Unemployment
- Chinese Imports, Market Share and Effective on South Africa Economic Sustainability

❖ **Research Assistant to the Head of Department** .... May 2015 — Nov 2017

Library and Information Science, University of Fort Hare

- I have completed a PhD research, using qualitative thematic analysis, multi-level factor analysis
- I have worked as a research assistant to the Head of Departmental to conduct research on his self-initiated research project niche and also volunteered as a departmental administrative liaison (May 2015- November 2017)
- Provided critical research expertise to assist the HoD regarding book chapters and research on "information broker" projects

❖ **Electric Vehicle Service-oriented Design Project** .... Sep 2013 — Nov 2013

VU University, Amsterdam

- I and other four colleagues were assigned a project in the Netherlands on Software Design to improve Electric Vehicle (Cars) battery lifespan and our outputs were impressive for the industries experts and VU professors graded the final presentation above 80 % (+A)

❖ **MSc Project Information Behaviour** .... 2014 — 2014

Amsterdam, Netherlands

As part of my MSc prerequisite, I and three other colleagues jointly conducted evaluative research at the Arkin Institute for Mental Health in Amsterdam, and our findings were presented at the companies and the University of

Amsterdam on how to improve the agility of their business process by eliminating information asymmetries based on the identified problems

EDITORIAL SERVICES

❖ **Editorial Board Member** .... 2018 — Present

- Lead Guest Editor, Information and Computer Security
- Editorial Board Member, Insight- Information Journal

JOURNAL REVIEWS

❖ **Journal Reviews** .... 2016 — 2017

- African Journal of Library, Archive and Information Science
